SAFARI IN TANZANIA

– THE ULTIMATE EXPERIENCE OF THE AFRICAN ANIMALS IN GENUINE NATURE

The country has got 22 National Parks. The closest one to Bomani Beach is Saadani National Park, only one and a half hour from the gate! This is an excellent day trip: Early morning game drive – River safari – relaxation for lunch at a beach, and then afternoon game drive before you go back to Bomani Beach.

Pearl Journeys operates with safaris in all parts of the country, north, west and south. You can start your safari from Bomani Beach, or we can arrange for transfer with the safari car or by air plane from any part of the country.

Enjoy samples of park here.
